

SHOWTOWN

Fundraising pack

Showtown is coming but we still need loads of support to get the show on the road. We are a charity that cares for the precious objects and memories that tell Blackpool's story.

Our museum and history centre are places where everyone is welcome, and we support people from across Blackpool to realise their star potential.

To do all of this we need your help.

Grab your work colleagues, school friends or a bunch of pals and do a suitably show-biz challenge for money.

Give the money to us and Bob's your uncle; you are supporting a charity that will celebrate the history and the people of Blackpool for many years to come.

And you'll be having fun at the same time.

Ha, ha, ha....
