We offer two types of school visits to Showtown:

- A self-led visit
- A self-led visit paired with a workshop

Book a workshop with us and dive deeper into Blackpool's vibrant history. Our fun and engaging workshops offer:

- A cross-curricular introduction to Blackpool's history
- A memorable out of classroom learning experience

We deliver workshops for Early Years, Primary and Secondary schools. All workshops can be adapted for Special Educational Needs.

Seaside Fun

Best suited for: Early Years Foundation Stage

Duration: 40 minutes plus time to explore

Overview:

Meet a sleepy Blackpool tourist as they tell you all about their perfect day at the seaside. Learn about all the things they've seen and done as we look back at Blackpool's history as one of the nation's favourite seaside resorts.

Please note: this session is only available as a morning session.

Curriculum links:

- Communication and language
- Physical development
- Understanding the world
- Expressive arts and design

Beside the Seaside

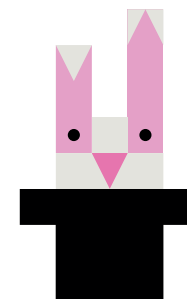

Best suited for: Key Stage 1 and 2

Duration: 2 hours including time to explore

Overview:

Meet a 1950s Walkies Photographer who will uncover Blackpool's seaside history. Learn how Blackpool became a popular Victorian seaside resort and discover more about a day at the seaside throughout history.

Each Key Stage will enjoy two hands on and engaging activities linked to the National curriculum.

Curriculum links:

- Geography
- History
- STEAM
- English
- Citizenship

Teacher feedback

“Session leaders were really enthusiastic and had excellent knowledge to share”

Selling the Seaside

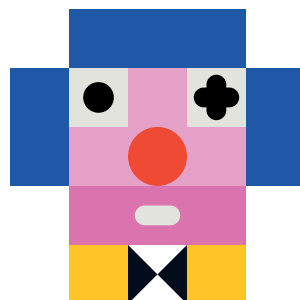

Best suited for: Key Stage 3

Duration: 50 minutes plus time to explore

Overview:

Discover how Blackpool's entertainment venues and attractions have helped keep landlords in business for over 100 years.

The class will then be tasked with keeping Blackpool's entertainment industry alive by creating a brand new attraction for the town.

Curriculum Links:

- English
- Language
- History
- Business studies

Sensory Seaside

Best suited for: KS1 and KS2 SEND

Duration: 40 minutes plus time to explore

Overview:

Immerse yourself in the seaside with our sensory seaside workshop. A day at the seaside is perfect for relaxing and taking everything in.

What can you see, smell, touch, taste and hear when you visit the seaside? Use your senses to explore a day by the sea.

This activity will be tailored and adapted to the needs of the class.

Curriculum links:

- Communication and spoken language
- History
- Science

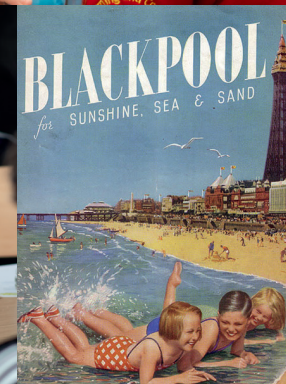

“It was so much fun. I had such a good time! Can we come back another day?”

Cleo, aged 5

Teacher feedback

“The actor really added the WOW factor and had the children enthused from the start”

Pricing

Self-led visit:
